

CALIFORNIA PARACHUTE CLUB

P.O. Box 1065 - Livermore - California - 94550

Jump ticket winners at August's meeting were **Bob Hall** and **Ray Diaz**.

Sounds like our members who went to **Quincy** this year had quite a time. **Bob Hall's** new canopy tried to show him who's boss. **Bill & Theresa Stanley** made forty jumps. There should be lot's of "There I was..." stories for our next meeting. Don't forget to bring your pictures!

The **Byron Boy's Boogie** is always lots of fun. The Club will hold a **Jump Day** at **Byron** on **October 5th** so everyone should attend.

The **10-Way Speed Star** at **Lodi** is scheduled for **October 12 & 13**. **Bob Hall** will be organizing for our team.

The **Christmas Party** will be held **December 20th** at **Manzella's Seafood Loft** in **Hayward**. A special newsletter describing the event will be coming in November. Mark your calendar now!

T-shirts: If you missed getting your **Leap Year T-shirt**, there's still a limited quantity available for \$10 each in size **XL**. Call the Treasurer or get yours at the next meeting.

Several members of the **Pterodactyl Society** were spotted jumping at Lodi on August 10th. The Club has received a copy of their roster - take a look at the next meeting and locate some of your old friends.

Scott Keeney is planning on purchasing more "**CPC Demo Team**" knit shirts. If you don't have one or want to replace that old, raggedy one you own, give Scott a call at **(408)261-8839**.

U.S.P.A. is no longer reimbursing the club for memberships paid through the club. While you may still pay your U.S.P.A. dues through the club, feel free to mail them directly to headquarters with your renewal form.

Members who now have electronic mail (**E-mail**) and would like their newsletter delivered electronically should send a message to the Club secretary (**walker@netcom.com**). Also, if you would like to receive only an electronic copy (and not a printed copy), please let the Secretary know.
