

CALIFORNIA PARACHUTE CLUB

P.O. Box 1065 - Livermore - California - 94550

The Club's January Dinner at the Holiday Inn in Livermore brought out more than 80 members and guests. Several past members who haven't been seen in years attended. The club gave away 20 jump tickets and 30 USPA calendars. A big thanks to **Allen Silver** for all the work he did in coordinating the event! **Charloa Smith** is already planning this year's party to be held at the Springtown Recreation Center.

You **1999 membership** is now due. Dues are still just \$15 per year. Mail your check to the Club's address above or directly to the treasurer at: 243 Pinehaven Way, Pacifica, CA 94044. If you've changed your address or phone number please include the new information. Also, if you have an E-mail address, include it also.

Several Club members attend the Parachute Industry Association (PIA) Conference in San Diego in January. **Allen Silver** and **Bill Stanley** participated in the opening ceremonies demo jump into the hotel parking lot. **Allen** gave talks on rigging and **Kent Walker** gave a talk on web site design.

Bill & Theresa Stanley invite everyone to come with them to Las Vegas to celebrate their anniversary in Las Vegas the weekend of May 15th. Also, Bill & Theresa plan to attend the boogie at Quincy this year along with **Ed Barr**, **Madalyn Drago**, & **Kent Walker**. Let Theresa know if you will be at either event.

Jump Time: The weather's getting better – time to shake off the cobwebs and get in the air. Internet “rec.skydiving” jumpers are planning on a boogie at Lodi for the newly formed “**Kathy Dause Fan Club**”, honoring our favorite member and manifester. Plan on being there for the fun. Also, the Club will hold a “**Y2K**” jump at Lodi to bring in the new year. You can help test the computers on Bill's DC-3 for Year 2000 compliance.
