

CALIFORNIA PARACHUTE CLUB

P.O. Box 1065, Livermore, California 94550

It was reported that 5 Cal Club Members attended the World Skydiving Convention in Quincy, Illinois. Ed Barr, Allen Silver, Bill Stanley, Theresa Stanley and Lee Wilcox apparently all had a great time. There were only 3200 people there this year. Partly attributable to the lack of large aircraft support, and partly that the party atmosphere is being put down.

The August meeting had another light turnout, even though it had been rescheduled to not interfere with the Quincy meet. Ken Burkner won one of the tickets, and Mike Ogden won the other. The January 12th Holiday party was discussed. This potluck will be in Springtown, next to the building where it was previously held. The new location is more like a large home than an auditorium, and is adjacent to and behind the previous location. Maps and invites are due to be sent out in early December.

Nominations for next year's officers are open, and will close at the end of the October 13th general meeting.
