BOD Meeting: The May 21st meeting was attended by Mike & Alice Ogden, Ray & Concha Dias, Bill & Charloa Burkner, Bill & Theresa Stanley, Peter Kalthoff, Kent Walker, Ed & Kevin Barr. We had a great time, even though Shirley did not attend (she was not feeling well).

Jump Day: May 22nd found Dave Elliot, the Stanley's, the Ogden's and Kent Walker having a great at Lodi.

Theresa writes: Theresa's new BevSuit jumpsuit just came in and she loves it! It has booties, lots more wing and fabric and made flying so much easier. Bill has ordered a 9-cell Pilot 190 from Aerodyne. It has not yet come in. Ed Barr got a Pilot last year and really likes it.

Kent would like help finding the movie "Sport of the Space Age".

Note: June 18th is the Vertical Challenge -- the BIG, annual, helicopter and air show at Hiller.

Outing. Saturday, June 25th. Hiller Air Museum in San Carlos. Madalyn Drago checked with her friend's husband, David Bligh, who is a docent at the Museum. Normally the admission is \$8 per person but we can probably get a group rate and if available, David will conduct our tour. They are open 10am-5pm. We will meet there at 11am for a personalized tour, then go to brewpub/restaurant. Contact Madalyn Drago madalyn@pacbell.net or phone at 650 359-1227 and let her know so she can get a count for the tour and discount entry fee. (Thank you Madalyn).

Possible outings. Please let the appropriate person know if you have an interest in some of the following.
