**Lodi Jump Day - Halloween 2009:** Five of us attended the Lodi jump day to celebrate Bill's 39<sup>th</sup> anniversary in skydiving - Bill and I, Ed Barr, Bob Hall, and Skip Hulet. The weather was beautiful - warm with blue skies. Stretch flew Bill on his first jump in his C-180 on Halloween (Santa Nella 1970) and he flew us all in the Otter on Saturday. We took a group photo of us next to Stretch's C-180 at Lodi.

**Attachments:** Attached with this newsletter are 2 PDF files:

**CPC Holiday Party Guest List.pdf:** This list includes everyone that will receive a paper invitation in the mail and a list of those we do not know how to contact. Did we miss anyone?

**CPC Holiday Party Invitation.pdf:** This can be emailed to anyone you would like to invite.

**Meeting:** At Al Silvers. Closed nominations, (ballots to be mailed in December). Planned jump days. Update on Theresa's great plans for the holiday party. I have been around Al for over 30 years & had zero clue that this man knows how to BBQ a fantastic steak. His son, daughter-in-law and lady friend provided a fantastic party. Ray, Concha, Bill, Charloa, Ed, Shirley, Lee, Peter, Mike & Alice had a great time. Thank you Al & crew.
